

## SOCIAL EVENTS

### CIRCLE SURPRISES MRS. FORSBERG.

The September meeting of the Ladies' circle of Zion Lutheran church was announced to be held last evening in the home of Mrs. Olof Grafstrom, 531 Forty-fourth street, but instead the affair was turned into a surprise party on Mrs. N. J. Forsberg. A young woman was sent to the home of Mrs. Forsberg, 4400 Seventh avenue, to detain her there while the other ladies were gathering, the entire company walking in upon the guest of honor at 8 o'clock and taking her very much by surprise. They brought with them lovely flowers and delicious refreshments that were served during the course of the evening. Mrs. J. P. Magnusson, as chairman of the evening, in a delightful short talk presented Mrs. Forsberg with a purse of money as a gift from the circle, and although Mrs. Forsberg was quite overcome with surprise she responded and thanked the ladies for the gift. At a business session of the society the resignation of Miss Helen Shogren as secretary-treasurer of the circle was accepted because of her temporary removal from the city, and in her stead Miss Lena Eastberg was chosen. The circle decided at this time to donate the sum of \$100 to the church expenses during the coming year and plans were discussed for future work. The evening proved a very enjoyable one.

### GERMAN MEN'S SOCIETY.

Seventy men, members of the Men's society of the German Evangelical church, gathered last evening at the church for the September session and to hear an address by Albert Huber on "Americanism." The society selected Rev. F. J. Rolf to represent the body at the National Evangelical Brotherhood convention, which will be held at St. Louis Oct. 10 to 13. Report from the concert given under the club's auspices in the early part of September showed that \$100 had been cleared for the church benefit.

### TO HONOR MISS BARLANG.

Miss Magdaline Barlang, whose marriage to Louis Bladel is an event of October, was honored last evening at a party given by the Misses Marie Zeitler and Frances Barlang at the home of the former, on Twelfth street and Fifth avenue. The house was trimmed in the chosen wedding colors, blue and white, festoons of cupids and hearts decorating the chandeliers. There were games and contests and late in the evening a course lunch was served in the dining room, where the table had as its centerpiece a bowl of blue and white asters. During the course of the evening the bride to be was presented with a prettily decorated basket containing many useful articles for her new home.

### HOSTESS B. L. K. CLUB.

Members of the B. L. K. club enjoyed the hospitality of Miss Clara Loucks last evening when she entertained in her home on Nineteenth avenue and Thirty-fifth street. The house was trimmed in fall garden flowers and the rooms were bright and cozy. The evening was spent in dancing and with music and the hostess served a fine three-course lunch during the evening. The club meets every two weeks, the place of next meeting to be announced later.

### CHRISTIAN ENDEAVOR BANQUET.

The second annual banquet of the Christian Endeavor society of South Park Presbyterian church, served last evening in the church social room, was a successful and very enjoyable affair. The tables were laid in the letter E and were beautifully decorated in cosmos and asters that filled tall vases, covers for 50 being laid at the board.

### Indoor Life Makes Fat

Try Oil of Korein to Keep Weight Down or to Reduce Superfluous Fat.

People who are confined within doors and who are deprived of fresh, invigorating air and exercise must take precaution to guard against overweight, as fat acquired by indoor life is unhealthy and a danger to the vital organs of the body. Lack of exercise in the fresh air is said to weaken the oxygen carrying power of the blood, so that it is unable to produce strong muscles and vitality and the formation of unsightly and unhealthy fat is the result.

If you are 15 or 20 pounds above normal weight you are daily drawing on your reserve strength and are constantly lowering your vitality by carrying this extra burden. Any persons who are satisfied in their present condition and who are too stout are advised to go to J. J. Foley (Harper House pharmacy) or any good drug-gist and get a box of oil of korein capsules, and take one after each meal and one last before retiring at night.

Even a few days' treatment has been reported to show a noticeable reduction in weight, improved digestion and a return of the old energy; footsteps become lighter and the skin less flabby in appearance as superfluous fat disappears.

Oil of korein is inexpensive, cannot injure, and helps the digestion. Any person who wants to reduce 15 or 20 pounds is advised to give this treatment a trial.—(Adv.)

## HEART and HOME PROBLEMS

MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: Three years ago I met a young man. At first he seemed to care more for me than I did for him. We saw each other quite often for about three months and then he told me that he was a drinking man and he thought I ought to know it. I felt terribly, but I thought I could help him break the habit. For a while I was very successful. He went a few months without drinking and then he started again. After a while he stopped a second time, but then he went back to the old habit. He says that I am the only one who can help him at all. After he began to depend upon my help I learned to love him. For three years we were able to remain friends, and then one time he said that he had lost courage and he felt the only thing that would help him would be to have me for his wife. I said that I would think it over—I could not decide to marry him because I feared the future so much. I decided that I must refuse him, but when it came to telling him I lost courage entirely and I knew I could not give him up.

I told him I would marry him. He didn't take it the way I thought he would. He didn't say anything for a long time, and then he said he would not let me. He told me he was going away and that I would not hear from him again. He thought I would wreck my life if I married him and he said he loved me too much to let me do that. I didn't know what to say and so I didn't oppose his plans, but I didn't think for a minute that he really meant what he said. The next day I didn't hear from him and I worried a little. Then the second day I telephoned his boarding house and learned that he had left and would not return. I can't find any word of him. I don't know what to do. I am utterly unhappy and I know I can never be happy again. Do you think he will ever come back?

**BROKEN-HEARTED.**  
The man you love did a brave, noble thing when he refused to marry you and went away. He sacrificed himself for the sake of your happiness. Now don't defeat his purpose by giving up to sorrow and loneliness. You can be happy if you will. Make new friends and enjoy the

tion of Mount St. Joseph's school at Dubuque, of which Miss Blake is a member. Eight tables of the game of 500 were played. Mrs. John T. Marron and Mrs. J. T. Shields taking the first and second prizes respectively with the last falling to Mrs. W. C. Marron.

The games were followed by a luncheon in which the hostess was assisted in serving by Mrs. D. C. Murphy, Mrs. Bert Corken, Mrs. Walter Russ and Miss Rose McHugh. The house was brightened with beautiful cosmos and asters that filled baskets and vases about the room, combined with the alumnae colors, purple, gold and white.

### OCTACOVER CLUB ENTERTAINED.

Members of the Octacover club enjoyed the evening yesterday as guests of Miss Vera Dowdall, at her home, 201 Thirtieth avenue, Moline. At a business session Miss Loretta McCuekin of this city was selected president of the club, Miss Dowdall to act as secretary-treasurer. Vocal numbers were given by Miss McCuekin and the evening was spent in informal sociability, the hostess serving a three-course repast before going home. The club will meet next week with Miss Ruth VanBuren of this city.

### AUXILIARIES IN OUTING AT LAKE.

Members of the auxiliaries to the Rock Island and Davenport U. S. W. V. and members of the Siboney Bay camp of Rock Island and Walter V. Nagel camp of Davenport Sunday went to Crystal lake for an all-day outing. About a dozen auto loads left at 8 o'clock. Well-filled baskets of good things were brought by the members and a picnic dinner and supper at a pretty point near the lake formed a part of the day's program. In charge of the festivities were Mr. and Mrs. J. C. Benedict. In the afternoon there was a ball game between two chosen factions, the honors falling to the side headed by Phil Kahles, Ned Ely and Lou Lasher were the umpires. A program of races also diverted. In the running races Messrs. Phil and Adolph Kahles tied for first place but as there was some doubt as to results the race was awarded the prize to J. C. Benedict, who came in third. In the ladies' walking race Mrs. John Sellers of Delmar, Iowa, won the prize, and in the ladies' running race the honors were won by Mrs. Hicks of Davenport.

### SOCIAL ANNOUNCEMENTS.

The Ladies' Aid society of Central Presbyterian church will conduct a seven-cent social and coffee Thursday evening at the church from 6 to 8:30 o'clock. The affair is for the public.

### "GENTLE," SAYS SHE

AS COPS MAKE PINCH

Gentle!

This is the latest attribute ascribed to Rock Island police. It came from a woman resident of the hill section.

"There was a drunk lying in the street. The police were summoned. They came in the patrol," she said.

"Get up old fellow, like a good sport," one said and they picked him up carefully and put him in the wagon. They were very gentle in their manners for men as big as they are and I was surprised because people always told me police were rough."

Let the docile squad come forward!

### COURT HOUSE NEWS

Hearing of the jail injunction case was resumed before Master-in-Chancery J. L. Haas this morning. Several of the women who are members of St.

Joseph's church, were put on the stand to explain what societies use St. Joseph's school building. The counsel is attempting to establish the fact that the structure is not used exclusively for school purposes, in which case the Igoe law prohibiting erection of county jails within 200 feet of a school building would not apply to the local situation.

Two of the indictments returned by the grand jury yesterday were certified to county court. They are against George Kahlin, charged with assault with a deadly weapon and Peter Van Severin and Richard Snis, larceny.

Mrs. Ethel May Davis of this city was given a divorce from her husband Roy Davis by Judge F. D. Ramsey in circuit court yesterday. The couple was married Sept. 25, 1907 and desertion charged March 13, 1913. P. H. Wells appeared for Mrs. Davis.

### Services at Edgewood Baptist.

Choir practice will follow prayer services Wednesday evening. The Ladies' Aid society will hold an all-day meeting at the church Thursday and at noon a warm lunch will be served. Friday evening at 8 Rev. Wilbur Babcock of the First Baptist church, Moline, will deliver a popular lecture at the church on the subject "A Flaming Torch."

### Railroad Paves Driveway.

Work was started this morning by the Davenport, Rock Island & Northwestern railway on the paving of a driveway on First avenue from the Milwaukee station at the foot of Seventeenth street to the freight house on Third street. A good deal of heavy hauling is done over this driveway and it was found advisable to pave it.

### Delicious Cooking

Without An Oven

The saying, "Man works from sun to sun, but woman's work is never done," is no longer generally true. Women are learning that it is not necessary to spend long hours in a hot kitchen in order to serve delicious and tasty meals.

They are relying more and more on prepared foods, which can be quickly and easily whipped into attractive and tasty dishes.

One of the best appetizers of these "ready" foods is Holland Rusk, which nearly all grocers now carry. The thing that specially commends Holland Rusk to the housewife is the many ways in which it can be served.

Spread Hot and easily digested it makes an ideal article of diet for hot weather.

A dainty summer dinner dish may be made as follows:

**Creamed Tomatoes on Holland Rusk**

Tomatoes..... Holland Rusk

2 tsp. Flour..... 1 cup Scalded Milk

2 tsp. Butter..... 1 cup Salt

Butter the Holland Rusk and place in the oven to heat. Make a white sauce of the butter, seasonings and milk. Cook to a smooth and glossy consistency. Cut the tomatoes into 1/4 inch slices, roll in flour and brown in butter. Place two of these slices on each Holland Rusk and pour over the hot white sauce. Serve at once.

You can use Holland Rusk wherever you would use toast, without the time or work of preparing toast.

As a breakfast food, with cream and sugar, with beverages, or in place of hot breads, nothing could be more delicious and it is always ready.

## Compare Bread Prices With Food Prices

A few years ago when meat made a marked advance in price and then kept going up, we simply adapted ourselves to the advance in prices.

When other foods advanced as sugar, flour, lard, butter, eggs, etc., etc., every housewife in this city accepted the advance.

But now when such a crucial time comes as that which we are facing today, and we must either advance the price of bread or protect YOU, the customer, we decided that the course we are following meets with your favor.

The nickel loaf of bread cannot be made to sell at a profit. With prices of ingredients advanced from 25% to 90% it is an impossibility.

To cut the size of a nickel loaf would make it undesirable from a culinary and nourishing standpoint. The cost of making and delivering a nickel loaf is the same as a ten cent size.

## The 10 Cent Loaf is the Best Loaf of Bread

It has ample crust surface which insures a right retention of moisture. Moisture is one of the chief essentials to healthful bread. A nickel loaf dries quickly and the waste is greater for you than in a 10 cent loaf.

Many cities have bread prices advance but in this city prices will not advance—the nickel loaf will be eliminated but the 10 cent loaf will remain at its present price.

You'll find it decidedly to your advantage to eat more bread—it's the most economical food and tests show it to be one of the most healthful.

## GIRLS DANCE FOR SIX CENTS A TURN

If Business Is Good and Many Drinks Are Bought Sometimes They Make Enough to Buy Their Eats.

### PAIR TELL HARD LUCK STORY

Young Women Nabbed by Police Are Stranded When "Days of '49" Breaks Up in Rock Island.

"A carnival is a stepping stone to tough luck."

Eva Campbell of Lima, Ohio, frowned as she sat before Police Matron Anna Kirkman. Laura Pickett frowned, too, as if to acquiesce in the statement of her companion.

"The wage, or salary, I should say was insufficient. They showed the usual liberality of carnival companies to employees. Why, do you know, we got 6 cents a dance for every dance? If it was a good day and there were enough dances we would almost make enough to buy our eats on," Laura said sarcastically.

The two girls were picked up last night by police. They had 60 cents between them and were glad to get picked up. They were at least provided a place to sleep, even though the means, arrest, might have proved distasteful to girls less accustomed to bumping about the country with a carnival dance hall.

"In the Days of '49" is the name of the dance hall which was a part of the Heinz carnival, which showed at Exposition park last week. But Sunday, when the show left town, "The Days of '49" did not go with it. The dance hall had not been making the money that the investment called for and so it broke up. Hence the girls were without a job.

Turns Good Omen.

Not only did their arrest provide a place for them to sleep last night but today it proved the indirect means of securing positions for them. Mrs. Kirkman obtained employment for both in Davenport and they will not only be provided with board and room, but the money they get will be in the form of a fixed wage, not subject to the number of dances they dance or the number of drinks that young men buy while they smile across the table at them in "The Days of '49."

It's going to be a cold winter, and they are happy.

### LOCAL OIL COMPANY

TO OPEN NEW PLANT

The Illinois Oil company today announced its intention of giving to the tri-cities, perhaps to Rock Island, a new industry. Plan is to erect a brick building for use as a paint factory.

The company handles paints and its increasing business requires the mixing of paints to be handled in a separate plant. Officials made a tour of the tri-cities today to inspect sites. They would not say how large a building is contemplated or how much they expect to spend in erecting and equipping it.

### CYCLIST RUN DOWN

BY AN AUTOMOBILE

Octo Vanderbroeke of Rock Island was slightly injured and his motorcycle smashed when he was run down by a five-passenger automobile owned and driven by Charles E. Duffy of Davenport last night at the bridge approach at Twenty-fourth street and Third avenue. The auto escaped undamaged. Vanderbroeke stated today that he intended bringing civil suit against Duffy to recover damages.

## HOUSEHOLD HINTS

### PAPER SAVES LABOR IN THE HOME.

Paper is one of the most useful helps we have in doing kitchen work, as well as other work in the course of a day's duties.

When peeling potatoes, apples, peaches, etc., spread a paper on the table and drop the peeling on it, and when through gather paper containing refuse and consign to the flames or garbage can.

When scaling and cleaning fish, place it on heavy brown paper. This holds all refuse. Chickens can be cleaned in like manner. Select a clean piece of white wrapping paper when flouring chickens, meat or fish for frying.

When making pies, cookies and biscuits, use smooth white paper to roll the dough out on, instead of a kneading board. This is most satisfactory and you will have no sticky mess to clean, which saves time and labor.

Line the cake pans with white paper, well greased. This prevents the cake from burning or getting too brown, and also from sticking to the pan.

On sweeping days, newspapers moistened and torn into small bits, scattered over the carpet or rug will prevent dust from blowing about.

Place the baby's high chair on a newspaper at meal time, to catch the crumbs and food baby drops, and the rug will not be soiled and the paper and waste can be rolled up together in a moment.

If the pantry shelves are covered with newspapers, this tends to drive away roaches, ants and other creeping pests, as the printers' ink is distasteful to them.

### THE TABLE.

Escaloped Oysters—One quart oysters, one cup melted butter, one quart oysters crackers rolled fine, one-half pint milk, salt and pepper. Put oysters, crackers and seasoning in layers. Pour over milk. Sprinkle cracker crumbs and butter on top. Bake three-fourths hour.

Creamed Tartlets—Line patty pans with pastry. Put into each a layer of apricot jam; on this pour a little thick boiled custard. Beat up the yolk of an egg, mix with it a tablespoon of powdered sugar. Put egg mixture lightly on top of custard. Bake in gentle oven twenty to thirty minutes.

Sunshine Cake—Light part: One cup flour, one cup sugar, half cup butter, half cup cornstarch, half cup cream, one teaspoon baking powder, whites of three eggs. Dark part: Two cups flour, one cup sugar, one cup butter, half cup sweet milk, one cup raisins, one teaspoon ground ginger, one nutmeg, one teaspoon cloves, yolks three eggs. Bake in jelly cake pans. Put light and dark layers alternately. Put icing between them.

Russian Dressing—Four tablespoons salad dressing, two tablespoons chile sauce, one hard-boiled egg (chopped), one sweet pickle (chopped), green pepper (chopped). Mix all ingredients, pour over lettuce.

Asparagus, Mouseline Sauce—Arrange short stalks of cooked asparagus in baking dish and pour over mouseline sauce, three tablespoons butter, one-fourth teaspoon salt, three tablespoons flour, few grains pepper, one cup chicken stock, yolks two eggs, one-half cup cream, one-half tablespoon lemon juice. Melt butter, add flour and stir, then pour on gradually, while stirring constantly, stock and cream. Bring to boiling point and add salt and pepper. Just before serving add egg yolks and lemon juice.

Mustard Pickles—Three hundred pickles two to three inches long, one pound barrel salt, one pound mustard, one gallon vinegar, wash and dry each pickle and pack in five-gallon crock. Mix salt, mustard and vinegar

and pour over these. Tie a cloth over top of crock. Ready to use in four or five days.

Brown Betty—Two cups of apple sauce (left over), three slices of bread and butter, vanilla; put sauce in baking dish, dip the bread in melted butter and put on dots of the sauce; sprinkle with brown sugar and a few drops of vanilla. Bake half an hour and serve hot with cream.

Breaded Pork Chops—Six chops, one egg, bread crumbs. Dip chops in beaten eggs, then in crumbs. Fry quickly to brown well, without cooking meat. Then place in steamer and steam for 1½ hours. Tastes like chicken.

### THINGS WORTH KNOWING.

Removing Mildew From White Goods and Bleaching—Dissolve heaping tablespoon chloride of lime in pail of water. Dip in the goods and spread out to dry in hot sun, without wringing. When dry, repeat process. This will take out the worst case of mildew and many other stains. The lime must be well dissolved. Cloth may also be bleached beautifully by hanging on a line when the sun shines and snow is on the ground, as snow bleaches more rapidly than sun.

Cleaning White Fur—Take piece of flannel and, with some heated bran, rub the fur well; it will be quite renewed. The bran should be heated in a moderate oven. Oatmeal with no husks is preferable to bran. Flour will also answer.

### FRIED OYSTERS—NEW.

Wash and dry large oysters, dip them in beaten eggs, and roll in freshly grated cheese. Stand them aside for 10 minutes, then dip a second time in the egg, and roll in fine cracker crumbs. Fry in deep fat and serve with celery.

### OYSTER TOAST.

Add one-quarter cup oyster water to one-half cup oysters and cook until plump. To this add one-half pint milk, salt and pepper to taste and reheat. Pour over hot buttered toast and serve at once.
